# Natural Thin Stone Veneer Collection

*Superior Natural Stones (since 1998)*

[www.asianstones.com](http://www.asianstones.com)

## WHY NATURAL STONE?

- *Uncompromising beauty*
- *Unmatched by imitation*
- *Infinite durability*
- *All natural, eco-friendly*
- *Ideal for interior and exterior*
- *Adds value to your property*

Our Natural Stone Wall Cladding designs bring forth a palette of colours that define the ethereal character of Mother Earth. The artfully created patterns provide a surreal appearance to the surroundings.

Presenting an array of colours, patterns and finishes in this Natural Stones Wall Cladding Look Book.
